

REMARKS

The newly submitted claims 13 to 23 correspond to claims 1 to 11 with the changes which were intended to be made in the prior amendment.

Substitute page 8 was filed with that amendment and, based upon a telephone call with the Examiner, has been found to be proper. Claim 12 was also properly entered with the previous amendment.

Since this amendment rectifies the only informality in the prior amendment, the claims must be considered to be allowable and an early notice to that effect is earnestly solicited.

Respectfully submitted,
The Firm of Karl F. Ross P.C.
